Albany, N. H., January 6, 1951.

Report of Forest Fire Wardens

Each year two hundred thousand forest fires annually burn over 36 million acres of the forest land of this great nation. This area is roughly the size of our New England states. Tens of thousands of man-hours costing over 40 millions of dollars are used in combating these fires. They destroy valuable mature timber and new growth, and leave desolation and often death in their wake. With the large deficit in rainfall the past four to five years the need for extreme caution is great.

Every brush, grass or forest fire that you have in your town has its effect on you in several ways; such as increased taxes, loss of mature timber, marring of the landscape and spoiling the recreation value of our country side. It is safe to say that approximately 97% of the fires occurring in this state are man-caused and because all man-caused fires are preventable, remember — only YOU can prevent forest fire.

Our forest fire organization is doing a grand job in keeping our fires small, but the public in general is becoming increasingly careless in discarding matches and cigarettes. Another form of carelessness is the neglect to secure the required permit from the town fire warden to burn brush or use an incinerator in or near woodlands. It is YOU and YOU alone who can help correct this shameful waste of our natural resource by:

1. Seeing that your incinerator is tight and is sitting on clean ground.
2. Always clean a space about any open fire to prevent its spreading.
3. Never burn in dry windy weather.
4. In all cases a written permit is required from your town Fire Warden.

It is with your cooperation that this shameful waste of timber and money can be stopped.

1950 FIRE RECORD: Number of fires, 2; acreage burned, 0; number of fire permits issued, 13.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the foregoing accounts and have found them correctly cast and properly vouched.

MAUD E. CHASE,
Auditor

July 6, 1950

Report of Superintendent

To the School Board and Citizens of Albany:

The following are attending Kennett High School:

James Brown	grade 9	Patricia Kelley	grade 10
Lola Coleman	9	Harold Leavitt	12
Frank Hammond	10	Ann Williams	12

There are now 18 in elementary schools in Conway:

Cecil Cheney	grade 3	Elaine Nesbit	grade 1
Calvin Coleman	7	James Pickering	5
Lorna Coleman	4	Jacqueline Savard	1
Francis George	2	Judy Savard	8
Sally George	4	Susan Savard	4
Brenda Hammond	3	Kenneth Wiggin	6
Penelope Kelley	3	Shannon Webster	6
Warren Kelley	8	Johanna Wilson	1
Mildred Lyman	2	Sandra Wilson	4

The average tax rate for the support of schools in the State is \$17.98. The fact that Albany's rate is lower than this average is the main reason why no educational aid is received from the State.

The efforts and cooperation of you as a School Board are very much appreciated.

Respectfully submitted,

HAMMOND YOUNG
